BIO

Rico Mannion is an Irish DJ and producer based in Dubai, creating emotionally driven progressive house and melodic techno shaped by rock and blues roots and a fan-first connection to dance culture. Much of his catalogue has been shaped in close collaboration with fellow producer Halishan. A fan first and producer second, every set is built as a journey — one designed to leave people feeling reflective, uplifted and like everything is going to be okay.

WHAT PEOPLE SAY

“

His ability to read a room is matched only by his technical precision behind the decks — he is clearly building something special.
